

# LinkPoint for ACT!

## SEAMLESS EMAIL INTEGRATION BETWEEN ACT! AND LOTUS NOTES OR NOVELL GROUPWISE.

LinkPoint for ACT! provides seamless integration between ACT! and Lotus Notes or Novell GroupWise. Now

you can effortlessly record e-mail into Activity History.

- Record e-mail and attachments to ACT! History.
- Address your e-mail recipients using your ACT! Contacts.
- Record e-mail on the Contact or Opportunity level.

*“Increase your productivity by reducing the manual process of cutting and pasting e-mail into ACT!”*

Works in Lotus Notes “Connected” and “Island” modes or Novell GroupWise “Online”, “Cached”, or “Remote” modes.
