

LinkPoint for SalesLogix

SEAMLESS EMAIL INTEGRATION BETWEEN SALESLOGIX AND LOTUS NOTES OR NOVELL GROUPWISE.

LinkPoint for SalesLogix provides seamless integration between SalesLogix and Lotus Notes or Novell

GroupWise. Now you can effortlessly record e-mail into Activity History.

“Increase your productivity by reducing the manual process of cutting and pasting e-mail into SalesLogix”

Works in Lotus Notes “Connected” and “Island” modes or Novell GroupWise “Online”, “Cached”, or “Remote” modes.

- Record e-mail and attachments to SalesLogix History.
- Address your e-mail recipients using your SalesLogix Contacts.
- Record e-mail on the Contact, Opportunity or Support Ticket level.
